IN THE BAG

If you've been at it like a rabbit, then send your rampant ramblings to: In The Bag, Club International, 2 Archer Street, London W1V 7HE.

Direct Approach

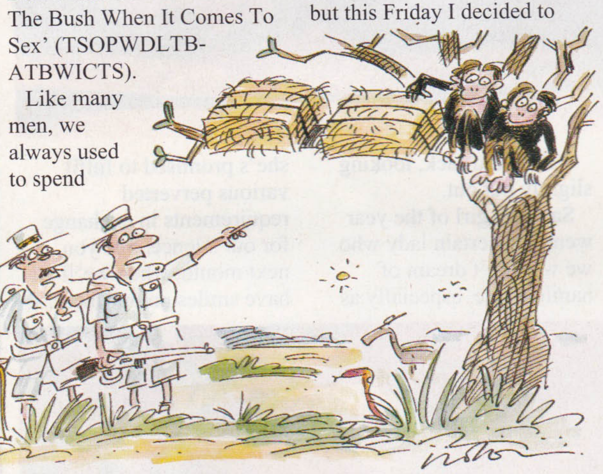
At my University we have many different societies and clubs but my friend and I have decided to start a club of our own called 'The Society Of People Who Don't Like To Beat Around The Bush When It Comes To Sex' (TSOPWDLTBATBWICTS).

Like many men, we always used to spend loads of time and what dosh we had chatting up women, only to find we didn't stand a chance of a shag. So we adopted the following technique for finding crumpet:

1. Select your target — preferably someone so gorgeous you don't think you stand a chance.
2. Go up to her and say, "I'd offer to buy you a drink, but I'm skint. How about some sex instead?"
3. Shag her.

OK, it's not very gentlemanly, but the strike rate's no worse than before and it's a lot cheaper. So far there are only two members in our Society — my mate and me — but I'm sure that the idea will soon catch on. — *Bruce, Cambridge*

Are you positive about that?! — The Ed



"Hay, hay with the Monkeys!"

More Than Mates

I've just started my first job and because I'm only 19 and not very experienced, the pay isn't exactly grand. Consequently I live in a flat with three other people as the bills are a lot cheaper spread this way, though privacy is pretty much a thing of the past.

There are two girls in the flat and one other guy. On Friday nights we always all go to a pub, then on to a club, but this Friday I decided to stay in and enjoy having the place to myself.

I was lying on the sofa wanking off, knowing that nobody would walk in on me — or so I thought. Because all of a sudden the lounge door opened and I saw one of my flatmates, Gail, staring at my erect prick.

"What are you doing here?!" I yelled.

"I didn't feel like going out," she answered, still staring at my deflating cock. "Though I'm glad I came back," she continued with a wicked grin. "It looks like you need a little help to get things going again!"

I lay there stunned, as Gail came towards me. Gail often stayed out all night, so I knew she had an active sex life, but I'd never, ever thought she'd be interested in me.

"Just relax," she whispered as her lips found mine and we began kissing. I could feel my cock begin to rise again and dig into her stomach. She went over to the stereo, put some music on, and began to do a sexy strip.

Gail's clothes were being tossed around the room and when her panties landed on my head I almost came right there and then. My prick ached to be inside Gail's pussy and it felt as if it would almost burst.

She took my meat into her mouth and began sucking it while her fingers tickled my balls. My cock began throbbing and I groaned as she moved up and straddled me. Her pussy was so tight as she sunk down onto my cock, and my eyes locked with hers as she moved slowly up and down my rod, squeezing it with her cunt muscles.

Gail's breathing began to match mine. Her groans were turning me on, and when she starting talking dirty I was fascinated by what she said.

"Oh yes — keep on fucking me! Feel my cunt! It's going to suck out every drop of your spunk!" she cried, her face screwing up as her cunt muscles throbbed. She started riding me even faster, squeezing her pussy up and down my rod. I gave one long, loud cry and thrust my cock deep inside her as I shot my boiling load.

Gail slumped on top of me, exhausted. When her breathing slowed to a less

SNAPPED!

After their triumphant comeback tour (one night at the Town and Country) the Bay City Rollers, or whatever naff name they have to call themselves now to avoid legal problems, celebrated in style. Humming along to such great hits as *Bye Bye Baby* and whatever other songs they did, Rollers Les McKeown and Ian Mitchell hit London's top nightspot, and then went along to Stringfellows, where they naturally ran into loadsa women with their boobs hanging out.

"This is the very mouth that sang such great numbers as *Bye Bye Baby* and all the others I can't remember," said

Now... a bunch of tits

Dear Sadie,

After seeing you in Vol 21 No 4, I just had to put pen to paper and tell you how beautiful you looked!

My fantasy is quite simple — I'd love to be the man who takes your photographs! I can just imagine the two of us in a studio together. You're lying on a bed, dressed in stockings and suspenders, and as I snap away, you slowly peel them off until you're naked.

I move from behind the camera and we kiss. As our tongues snake around in each other's mouth, I can feel you pulling my trousers down.

You tell me to lie back on the bed, and then you clamp your lips around my dick and treat me to an expert blow-job. As you run your tongue around the bell-end of my dick, I can feel my cock twitching, and you pull my dick out of your mouth just as I release my sticky load!

How does that sound to you, Sadie? I'm ready and waiting with my Canon! *Robert, Londonderry*

I'll bet you are, Robert! But you missed out on the best part — the bit where I can take some sexy snaps of the two of us together with the self-timer, so that I can remember our filthy photo session! After all, I've always fancied myself as a photographer! — Sadie ♣

Club International — Magazine of the Year! Yes, ignore those posy women's mags and crap TV listings efforts that make claims to the title: we are proud to announce that Club, the throbbing tome that packs more bounce to the ounce, has swept the board at the latest magazine awards.

The awards, sponsored by the *Duke of Wellington* pub ('Try Our Booze and Have A Snooze') not only gave your favourite monthly the top overall prize, but also honoured some of our ground-breaking columnists, photographers and staff.

Lord Bleach was pleased, but not surprised to clinch the Drunken Editor of the Year title. "I don't want to blow my own trumpet, but the whole industry knew I had to be favourite for this one," he said after the ceremony. "The panel were bound to go for consistency, and that's just the quality I

Legs. Although sadly neglected sometimes by Club International, they are highly important things: without them, women wouldn't have anything to hold their bottoms up, *and* they couldn't get to the bar when it's their round. But just as importantly, Diana here wouldn't have anything to wrap around her ears in next month's issue. Think about it. ♣

him as I spread the rug, then lay down, raised my knees and opened my legs wide — giving him a view of my bare thighs and the crotch of my knickers.

Then I opened my legs wider and ran my hands up and down the inside of my thighs. Next I pulled my knickers up into the crack of my bottom and the slit of my cunt and began to work the material up and down. God, it was gorgeous! I could have come there and then, but I wanted to prolong the sexy feelings that were surging through me.

There was no going back now. I lifted my skirt up, raised my bottom and slid my panties off. Then I opened my legs wide and pulled the lips of my fanny apart so that he could see it all.

I glanced in his direction and saw his arm pumping up and down. He was obviously having a wank! I soaked my middle finger with pussy juice and began to rub my clitoris. I was so worked up I nearly came on the spot!

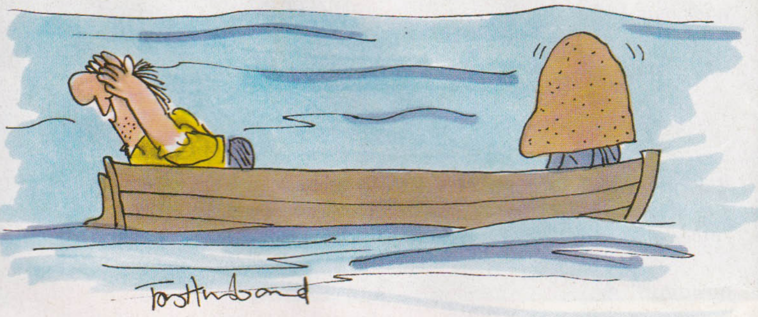
I began to rub faster now, opening my legs as wide as possible, giving him a grandstand view of a horny girl masturbating herself into a frenzy. I knew that I couldn't hold back much longer. Then I heard a grunt from behind the bushes and by the look on his face, he'd obviously shot his load.

It was all too much for me and I came off like a volcano. There was this sort of orgasmic explosion in my cunt that was so strong and went on for so long that I almost passed out. It was just like having my very first orgasm all over again — totally mindblowing!

Still in a daze, I put my knickers back on and looked up. The lad had gone. I went over to the spot where he had been hiding and sure enough, there was spunk all over the leaves.

The rest of the day was a blur. I couldn't concentrate on the conference, and when I thought about what had happened, waves of lust surged through my quim.

I still think about that experience often, especially when I'm alone in bed. Writing this letter has got me wanking myself silly. I only hope I have the opportunity one day to do it all over again! — *Joanne, Rutland*



"98... 99... 100... Coming whether you're ready or not!"

Lezzie Learner

I'm a 21-year-old bisexual girl, and my girlfriend Melina and I are great fans of Club. I met her when I was on holiday with my boyfriend (we're now separated) and she's absolutely gorgeous. It's interesting to compare my slim body, with big boobs and blonde hair, to Melina's, with small firm tits and enormous nipples. Her black hair comes down to her waist, and she does some amazing things to my pussy with it!

Melina and I met in the hotel bar, and I couldn't take my eyes off her. The thought of what she'd be like in bed had my nipples tingling and my cunt juicing up in an instant. I noticed she was staring at my boobs, and as I had no knickers on I could see a damp patch forming on my cotton dress. Suddenly she grabbed me and pulled me onto the dancefloor. She was a fantastic dancer, and I knew by the way she was grinding her hips towards me that we would end up in bed.

We went for a walk along the beach in the moonlight, and when she took my hand I kissed her full on the lips. We were soon lying in the sand, touching each other all over, and when Melina pulled my dress off and saw my shaven snatch and big tits for the first time she went crazy. I lay back as she went down on me, raising my hips so her tongue could penetrate my pussy even more. When she came up for air her face was covered in my juice.

It was obvious that Melina had been with plenty of other girls before, but she was my first. I just took the plunge, heading straight for her hairy pussy and spreading her plump lips. Then I took my first lick, and the warm, wet, juicy softness of her cunt was fantastic. I ran my tongue up and down her sweet-tasting slit, sucking on her hard clitty and dipping my tongue into her honeybox. We ended up in a 69, licking and fingering each other to climax after climax before we went back to the hotel.

After that first night, we met whenever we could, and although we had to part at the end of the holiday we missed each other — and the great sex — so much that she's come over to stay with me now. I could never give up guys completely, but Melina has added a whole new dimension to my sex life! — *Philippa, Reading* ♣

Maurice Short ran away with the Tallest Sports Columnist category. "I think I won it because I'm the tallest sports columnist around," he said modestly.

Horst Pipe was less happy with his third place in the Dullest Car Column race. "I put the effort in, and I really thought I'd clinched it over the last couple of months," he groaned. "I suppose it's because there really are some extremely dull car columns around at the moment. But make no mistake, I shall redouble my efforts in this field over the coming year!" We're sure he will.

The judges' award for The Only Photographer Who Can Blow Bubbles Out Of His Ear once again went to Jack 'Rambo' Harrison. "I am honoured and humbled to receive this tribute to my artistic abilities," he said. "But it's only a joke, Jack," we said.

"Oh," said Jack, looking slightly put out.

Sauciest girl of the year went to a certain lady who we wouldn't dream of naming here, especially as she's promised to fulfil various perverted requirements in exchange for our silence. See you next month, when we'll all have smiles on our faces. ♣

as I'm concerned!

"Of course, very few beaches allow it and I'll admit I've got myself into trouble on more than one occasion. I certainly wouldn't try it in Britain. I'd probably be locked up and the key would be thrown away because I'd been such a naughty girl!

"So I'm always glad to get away to a paradise island where the laws aren't quite as strict and the people aren't so prudish. What I usually do is scour the beach in search of a nice secluded cove, then strip down to my birthday suit!

"Mind you, it doesn't have to be that secluded — I do like to have an audience of one, if you know what I mean!" ♣

Anita made her memorable debut as our centrefold in Vol 21 No 2, and she's back again

Since Marci told all you fellas about her singing career in last month's issue of Club, the 20-year-old has been inundated with offers of recording contracts and international stardom. But Swindon's answer to Madonna isn't very impressed.

"It's all very flattering," admits Marci, "but most of you haven't even heard me sing! Anyway, I've decided to put my singing career on hold; modelling in Club is much more fun!

"Dressing up in my sexiest underwear, then slowly peeling it all off again is a real turn-on, believe me!

Now industry watchers are wondering just what the response will be when the even sexier Daihatsu X-021 goes into production. With a composite body and aluminium spaceframe, it's been described as the 'MG Midget of the 1990s', the only difference being that the Midget was an underpowered heap of shit and this isn't.

● The UK has also seen the launch of two new supercars, one surprising and one surprisingly stupid. The first is the Westfield Weasel, which has stunned critics who gave it the *Worst Name of the Week* award by proving that a car can be both green and mean. Quicker than the Cosworth Sierra, Audi S2, BMW M5, even Porsche's 928, the Weasel is surprising because under the bonnet it's got a 1.8 litre Ford diesel engine which will do 60mpg.

● The other supercar is the new Aston Martin Shooting Brake, and if this one is anything to go by, a shooting brake must be something like an estate car only much more expensive and fucking ugly. Surprisingly for a car which costs £165,000 it uses a tailgate from a Ford Escort.

● And finally, a Guildford scoutmaster whose car horn has never worked properly has had it fixed because, he says, the Scout's motto is, "Beep Repaired". It's stuff like that which makes you wonder why you bothered reading to the end, isn't it? ♣

"Right, Jim. It shouldn't take you long to shoot your load after that performance, but can you spunk over me please," said Sarah. His prick looked huge and ready to shoot at any second as he sank to his knees in front of Sarah and let the tip of his prick rest against one of her nipples. Slowly he pulled and pushed at his prick, but within only a few strokes his spunk spurted over her boobs. Without a word I moved over and licked her clean, savouring the salty taste of my husband's come mixed with the remains of Malcolm's.

The four of us were pretty exhausted. Our lounge smelt of sex but we were four happy and relaxed people. Malcolm and Sarah told us they had often fucked in front of a lesbian friend of theirs but had never had a proper group session.

Then I really did surprise them. "I've always wanted to be shagged and have a cock in my mouth at the same time," I said.

"So have I," Sarah replied, "and the thought of Jim's length inside me is making me wet again. Would you mind, Jane?" I shook my head, but added, "I'm first though. I'm so horny I need to be fucked!"

I got on my hands and knees and Jim spread my wet cunt and thrust his cock inside me. Malcolm lowered his short stubby tool into my mouth and I sucked it to the same rhythm that Jim was shafting me. I felt so dirty and depraved enjoying two cocks at once that I was soon thrusting back against Jim's prick as my climax swept over me.

Sarah shouted that she wanted Jim to come inside her, but promised me she'd make me come too. She pushed Jim onto his back and straddled herself above him. Holding her cunt lips apart she lowered herself down onto his prick, then told me to stand over her.

I stood over her with my legs apart, and as my husband thrust up into her, she lapped at my pussy lips, then eased her tongue right into my cunt. I ground myself against her face as her tongue darted into me over and over again. I'd never been licked out by a girl before, and it felt terrific!

Malcolm stood behind me rubbing his prick against my back and playing with my boobs. We all came more or less together. Jim groaned as he shot his load up Sarah's cunt, and the thought of my husband's spunk filling up another woman as she licked me made me come again. Then Malcolm spunked over my back and bum, and massaged it in as Jane came noisily. We all rolled around on the floor together, soaked in sweat and spunk and pussy juice. It didn't seem natural to break apart so Jim fetched a blanket which we all slept under until morning. Over breakfast not much was said, but we all agreed that it was a very horny experience, and one that we want to repeat very soon. — *Jane, Cardiff* ♣

Look, my cunt is sopping." The way she talked really excited me, so as I watched her fingering her wet slit I slid my skirt off. My boobs were straining against my lacy bra, and I knew the others would be able to see my pubic hair through my knickers.

Both guys had really stiff pricks now, and so when Sarah told me to take my bra off I did it with no inhibitions at all. Then, to my own surprise, I slipped one hand down the front of my panties while cupping one boob and bending forward to flick the nipple with my tongue. Jim looked a bit shocked — but very aroused — as I took off my panties and sat right on the edge of the stool, opening my legs wide and spreading my cunt open with both hands. I almost couldn't believe it was me doing all this, but my pussy was buzzing, I felt slightly dizzy and I knew that I didn't want to stop.

"I never knew that I could be so turned on," I admitted. "I didn't realise what I'd been missing." Malcolm grinned at me as he sat there stroking his cock.

"I know what we agreed, Jane," he said, "but I can tell Sarah would love to touch you."

Sarah nodded and I heard myself say, "Yes, Sarah, please play with my boobs." Sarah stood between my legs and started to stroke my tits and pinch my nipples before nibbling at one and then the other. I was getting so turned on I thought I might actually come just from that, but then she stopped, saying, "What about the boys? Before we fuck let's all have a good wank. Malcolm comes so quickly if he doesn't shoot his load before he puts it up me. Not together though, we'll watch each other. Malcolm, you're first."

Malcolm stopped his stroking and began furiously wanking his cock. Sarah was right. In next to no time Malcolm jumped out of his chair and shot his load over Sarah's boobs.

"My turn now," said Sarah, and we all watched her scoop up some of Malcolm's spunk on the end of her finger and lick it off, telling us how she loved the salty taste before rubbing the rest into her skin. She then lay on the floor and spread her legs. Slowly at first but gradually building speed, she massaged her clit while pumping two fingers in and out of her cunt. She had her eyes tight shut and it took about five minutes of this brazen finger-fucking before she shivered all over and came in front of us all, her thighs lifted high and wide so we could get a good view of her pussy as she orgasmed.

"Jane, it's your turn," she said when she'd recovered. "Spread your wet cunt and do your stuff for us." As if in a trance, I slid to the edge of the stool and spread my pussy lips open so they could all see how pink and firm my clitty was. Malcolm quickly got hard again and started to wank, while Jim looked as if he was having a hard time holding his spunk back, watching me show myself off to our outrageous friends.

"You've never seen me do this before, have you Jim?" I said. "I love a good wank when I'm alone. I hope you're not shocked, but I feel so horny I can't help it. Someone suck my tits, that always makes me come."

Sarah and Jim obliged with a boob each and I bucked up and down on my hand until I came while Malcolm wanked another load over my spread thighs. "He's got so much spunk being kept away from me so long," Sarah said. "Can I lick it up, Jane?" Without waiting for an answer, she began licking Malcolm's spunk off me. I was longing to push her face towards my cunt, but I didn't quite dare.

the air and squirming for a good fucking, and they were getting philosophical! Myra looked around and said, "For god's sake, guys — get over here and do it!"

The next second I felt two strong hands take a firm hold of my arse cheeks, and Pete's cock was pushing at my open, wet cunt. I held Myra's hand as it slid all the way up me. Myra was moaning, "Oh yes, Dave, do it to me. Pump me harder — make me come," as he fucked her hard and fast, while I was biting my lip to stop myself screaming out loud, the pleasure was so intense.

But the boys still had surprises left: suddenly I felt Pete's cock pull out of me completely, only to be replaced a second later by something shorter and thicker. They'd swapped over, and now Dave was giving me the treatment, hammering into my pussy, while Pete gave Myra a slow and sensual screw.

I came first, unable to stop myself yelling out all these filthy words as my pussy went into spasm: then Myra moaned her way through a massive come. Straight away the lads pulled out of us and turned us around. "Kneel on the floor," said Dave to both of us: and as we knelt down they both wanked over us, their come splattering our faces and hair. Myra swallowed as much as she could, and even licked loads off my face, the dirty cow!

Of course, the lads had both planned it: they'd known what we were like, and had waited outside the door to see if we got up to anything naughty together — we didn't disappointment them!

We had to get ourselves together quite quickly after that, because the lunch that we'd been preparing was just about to start. In fact, we had to get dressed very hurriedly — and the odd thing was that after we'd served the meal and the directors had thanked us for all our time and trouble, I discovered that I'd forgotten to put my knickers back on after our fucking session!

I searched the whole boardroom for them while we were clearing away, but they were nowhere to be found. So one of those randy directors must have pocketed them — he's probably still sniffing the pussy juice from them to this very day! – *Kate, Kent*

COUPLES CONFESS

Share and share alike!

Filthy Foursome

Some months ago my husband Jim and I became friendly with a guy called Malcolm. His girlfriend works in London, so as soon as she had a free weekend he arranged for her to come down so we could meet her. I must add that at this time no mention of sex had ever been made, although Malcolm had hinted that he and Sarah had an interesting relationship.

On Friday night we met at a restaurant not far from our home and Malcolm's flat. Sarah turned out to be stunning — a leggy blonde with a beautiful figure, dressed in a demure knee-length skirt and a crisp white blouse, but quite obviously not wearing anything underneath. Over our pre-meal drinks Jim commented on what a lovely girl Sarah was, and said no wonder Malcolm was anxious to see her whenever he got the chance. We had a great meal with plenty of wine and good conversation, a lot of which was centred on the size of our waitress's boobs!

In the middle of our polite conversation, and totally out of the blue, Sarah said, "Have you asked them?" to which Malcolm replied, "Not yet." Sarah then told us that she loved being watched getting fucked. She said it just as plain and simple as that. Malcolm added that he hoped we wouldn't be offended, and that they would go to the loos and leave us to talk to one another about it.

Jim and I enjoy a good sex life, and whilst I knew that years ago he had enjoyed group sex it was something that we had never discussed. I said, to Jim's surprise, that as the night had been arranged for Malcolm's benefit I would go along with it, but with certain ground rules. Malcolm and Sarah returned and over more coffee and brandy I said that they could come back to our house and we would watch if that was what they wanted, but there was to be no swapping, to which they agreed.

I was nervous on the short walk home and I could tell Jim was a bit doubtful too, but once inside the house we all seemed to relax. I poured some more drinks and put on some music while Sarah told us how she loved to excite herself in front of Malcolm. I was getting more and more turned on. My boobs are pretty big, and I could feel my nipples getting hard and pressing through my blouse.

Sarah must have noticed this as she said, "Jane, your tits must be bigger than that waitress's. I'd love to have big boobs. Mine aren't small, but I'd love to have larger ones, I think they are so sexy." At that she unbuttoned her blouse and let it hang open to reveal her tits, with small pink nipples which she pinched between her thumbs and forefingers. "I love to touch them and feel them harden — it makes me shiver," she said.

I told her what a lovely figure she had and how I envied her slim body and long legs, at which Sarah stood up, let her skirt slip to the floor and took her blouse off completely. Not only did she not wear anything under her blouse but she also had nothing on under her skirt. At the sight of her my pussy started to juice up and I could tell Malcolm and Jim were both getting horny as they shifted uncomfortably in their chairs.

Sarah's pubic hair was completely shaved to reveal her plump pink cunt. She ran two fingers over her flat stomach and up and down her pussy lips as she said, "Malcolm loves to watch me do this. Come on Jane, show us your boobs. I feel lonely like this. And you boys get your pricks out before your trousers burst."

Already Malcolm had his shirt off and was unzipping his trousers, and I nodded to Jim to tell him it was okay to do the same. As I unbuttoned my blouse I looked at Malcolm, whose short but thick prick was standing to attention. The sight of him was getting me really hot.

I started to unclip my bra, but Sarah said, "Stop. Let me admire those tits, but get your skirt off now. Are you wet?

admit that my face did redden a little as I watched every facial expression of Pete and Dave's as they took in the sight of Myra's tongue reaching in and out of me, dipping into my cunt juice and then spreading it all over her face with her tongue on purpose. What a tart!

This was a first for me, having two guys watching me being tongue-fucked, but after a couple of minutes I was feeling so aroused that I really didn't care any more. I just sat back in the chair and let the climaxes that were spiralling through my cunt wash over me. My head fell back and I rubbed my boobs and nipples as the orgasms became more intense.

But after a few minutes it wasn't enough. I wanted more.

I must have moaned or said something, I don't know, but the next minute Myra had detached her lips from my pussy and was instructing the two flabbergasted lawyers what they should do next!

"She wants a cock in each hand and she wants it now!" came the order.

The two guys certainly didn't hang around, because as my eyes flew open I was just in time to see the pair of them almost running across the room. The next minute two swollen, stiff and throbbing cocks were planted into my eager hands, and I began to wank them as if my life depended on it.

I love the feeling of a bloke's cock between my fingers, the veins responding to every stroke and caress of my fingers, but two was really sending me over the edge. I could feel the guys thrusting their pubic bones against my hands and by the moans they were making, I was as good with my left hand as I was with my right, my usual wanking hand!

"Don't let them come just from wanking," Myra told me. "We don't want to waste any of that lovely come!"

"One of them's going to shoot any minute," I told her. "Get him inside your cunt and ride him!"

It was Dave, the shorter of the two guys with the dark curly hair, who could barely hold his come back any longer, and soon he was on his back on the floor, his smart trousers round his ankles as Myra ripped off her panties and sat astride his cock in one fluid movement.

The poor guy could hardly control himself. There was Myra with her super-tight cunt muscles working overtime on his already engorged cock, and at the same time she was holding the gusset of her ripped panties over his nose so that with every breath he was inhaling the aroma of pussy juice. It was only a few moments before he unloaded copious amounts of white spunk inside Myra's pussy.

She reached down between her thighs afterwards and scooped up some of it with her fingers, tasting Dave's load and really enjoying it from the filthy look on her face. I always knew that Myra was something of a come connoisseur, but I'd never seen her gobble it up with quite such an eager expression on her face before.

Meanwhile, I was still wanking Pete, who seemed to be able to control his come for ages. Several times my hands squeezed his tight balls and felt them straining, but each time he managed with a supreme effort to hold back his load — the sight of his gritted teeth as he did so was really turning me on. I had to have him.

Standing up, I flung off my clothes so that all I was wearing were my stockings and suspenders. The look of lust and sheer dirty horniness on my face must have really inflamed him, because in a trice he'd pulled off his suit and shirt and was standing in front of me naked. He could tell that what I needed was a good fucking, and so he really took charge of me.

Gripping my little buttocks firmly, he parted my slick thighs and pulled me up right off my feet, so that I could wrap my legs all the way around his waist, and then he held me there as he pushed his hot, probing meat all the way into my cunt.

It was a blissful feeling, having him thrusting up in and out of me, and the pounding rhythm that he set up made me start coming almost as soon as he was inside me. I usually take a while to get worked up when I've got a cock inside me, but this time it was instant. I groaned from the sensation of our pubes rubbing up and down as Pete pushed sharply up me and then slowly withdrew before thrusting up again firmly.

I was having to bite his shoulder to stop myself from shouting out loud all the filthy thoughts I was having — if I'd yelled as loud as I normally do I'd have had everyone in the building converging on the boardroom! I'd given him several love bites as I felt him give one last really deep thrust, then a groan as he shot his spunk inside my cunt, which seemed to go so deep that it might have been going to come out of my throat!

Myra and Dave had both come too, and she had his limp, wet cock in her mouth as she slowly sucked him back to hardness. Pete looked over at them both and a strange look came into his eyes. "There's something I've always wanted to do," he said, "and that's fuck on the boardroom table. How about it, all of you?"

Dave nodded, pulled Myra up and led her to that table. Pete took me there as well. Then they turned us to face it and pushed us forward, so we were both bent over the table, side by side with our little bottoms high in the air. Pete and Dave stood back to admire their handiwork.

"Hmm... they've both got great pussies," said Pete.

"You know, I don't think board meetings will ever be the same again," said Dave.

There we were, bottoms in

ON THE JOB

In and out of the office

Twice As Nice

My friend Myra and myself were both made redundant last year from the same firm of lawyers where we'd both worked for the last few years. It's always depressing when something like that happens to you — it even made me go off sex for a while! — but you can't keep a couple of feisty blonde bombshells down for long, and we were soon back with a plan that meant we could start earning again, and have some sexy fun into the bargain.

Myra is a fantastic cook, cordon bleu trained, and I've always had a good head for figures (and not just Myra's with her lovely blonde quim and firm boobs), so what we decided to do was to set up our own office catering firm, just the two of us, so that we could go around the various company offices in the town doing all the catering and presentation for any office functions they might be having. And surprisingly, it worked.

Or not surprisingly, because we both shamelessly exploited our looks in order to get more business! When you're a pair of blonde hussies with lovely tits and the kind of legs that every man would love to have wrapped around his neck while he ate out your pussy, you can get away with anything!

One of the first jobs that we had to work on was a big function at — guess where? — our old company. Naturally this took us back a bit, and we were able to feel right at home as we prepared all the food in record time. We had a couple of glasses of wine each, so we began to feel very relaxed and giggly as we laid everything out in the posh boardroom — and when we get relaxed and giggly, our inhibitions just dissolve.

We were getting the spread together in the boardroom but everyone else was in a meeting with the clients and we knew we wouldn't be disturbed for at least an hour. So one minute we were there in our smart outfits, little fitted dresses and sheer stockings with high heels to show off our figures to best advantage as we were serving, the next Myra had undone my little red dress and was squeezing my boobs. My nipples responded instantly, poking up towards her lips so that she just had to kneel down in front of me in the chair I'd sat on and take one of them between her teeth to suck and bite it. I love it when she chews on them hard, and I was panting in seconds, my hands down between my legs as I rubbed my little love button with one index finger and used my other hand to push a couple of fingers up inside my already soaking cunt.

I knew that any minute Myra was going to go down on me and so I spread my thighs in anticipation, holding my cunt lips open as wide as I could, and waited for the feel of her soft, probing tongue to lick all the dripping juices from the insides of my thighs — when suddenly the door of the boardroom was flung open and two of the junior partners, Pete and Dave, came striding in!

I don't know who was more shocked, them or us! There I was, half naked with my cunt exposed for everyone to see, all wet and juicy and ready to be fucked. There was no point trying to hide it — they could see everything I'd got. But they recovered sooner than I did.

"If you want to carry on with what you were doing," Pete, the randier of the two, drawled, "then don't let us stop you!"

I was a bit dubious, but I didn't really have any say in it: Myra was on heat, and I don't think she would have stopped for anyone. I must

"Her pussy lips felt so smooth like they had been freshly shaved." Well that was true. "When my prick entered her I was surprised at how velvety the inside of her cunt felt. It was amazing."

I felt thrilled that Julian was saying this about me. I continued reading page by page until I came to a page entitled 'My Fantasy'. It was like a short story and it involved me and a girl whom I'd never met called Alice.

"My fantasy is that I'm lying in bed, half asleep, when I hear groans coming from the spare bedroom. I wake myself up and quietly tiptoe to the bedroom door. I look through the keyhole and I can see Dora with Alice. Alice's tongue is licking and sucking Dora's nipples, pulling and tugging them with her teeth. Dora's hand is working its way down to her pussy and I can see her pulling her cunt lips apart. Alice catches sight of Dora doing this and lowers her head to see her beautiful fanny. With her index finger she begins rubbing Dora's swollen clitty. Dora starts trembling — I can tell from where I'm spying that she is having an orgasm. Then, from under the bed, Alice produces a large dildo.

"It's a good two or three inches bigger than my prick and Dora cries, 'Oh yes! Really fuck me hard!' when she sees it. Alice nudges the dildo between Dora's cunt lips and at first she finds it hard to get it to go in. Then, slowly, the dildo sinks inside her pussy, inch by inch disappearing inside her.

"Alice begins really pumping the fake prick inside her and I can see creamy juices dribble down the dildo. All the while I am wanking myself off whilst trying to remain as quiet as possible."

Julian had never told me about this fantasy and I suppose I was a little hurt that he hadn't. He probably thought I'd be shocked. In fact, though, it would have been the other way around; he'd probably have been shocked to find out that I've had loads of lesbian experiences, mostly with my best friend, Cassandra!

He'd met Cassie a few times, and even mentioned he fancied her. A plan began to form in my head: it was pretty naughty, but so sexually exciting I couldn't resist! I took Cassie out for a drink to persuade her to go along with it, but really I knew she would anyway. She'd do anything to get her pussy sucked, that one!

On his arrival day I knew Julian would be hoping I'd meet him at the airport, but instead Cassandra and I waited in his bedroom at his flat. We lay naked on the bed, kissing and feeling each other's pussies: I wanted Cassie to be good and wet for the show we were going to put on for Julian. But I think we got carried away...

He finally arrived and stomped up the stairs, obviously in a foul mood. But when he opened the door he was gobsmacked; there were me and Cassie in a 69, sucking each other's pussies — I even had three fingers up Cassie's dripping cunt as it hovered over my face.

I gave Cassandra's clit one final hard licking and she came with a groan, rubbing her wet mound all over my face. Then, with her wet juices glinting on my chin, I looked up at Julian. "Hi darling," I said all sweetly and innocently. "I read your fantasy and I thought you might like a little surprise!"

Julian looked at me — he was still shocked but he was getting his composure back a bit — and said, "But you haven't done the last part."

"Oh — you mean playing games with this?" I asked as I leaned over and pulled a big dildo out from under the pillow. "I think Cassie's going to use that now."

I laid back, supporting myself on my elbows, and opened my legs wide and high. Cassandra took the dildo and began to rub the thick end over my wet cunt, teasing me with it.

"You want me to fuck you then, Dora?" she asked. "Do you want me to push this dildo in your pussy?"

"Oh, please do it," I moaned. I really wanted that dildo inside me by now. I wanted Julian to see me get fucked by my girlfriend.

Cassie spread my pussy lips wide open with the fingers of one hand and with the other she slowly pushed the dildo all the way up me. I watched as inch after inch disappeared into my cunt. Then she started to push the dildo in and out, rubbing my clit with her free hand.

Julian had been staring incredulously at us until this point, but now he stripped his clothes off rapidly to show his huge erection, which he stroked as he watched Cassie do my pussy.

"I want you to fuck Cassie," I said huskily. "Fuck her while she screws me with the dildo."

The moment I'd given him permission Julian was right in there. Cassie was on all fours on the bed, her bottom high in the air, and he knelt behind her and fed his hard cock into her pussy. I saw the look of ecstasy on her face as my boyfriend's prick filled her to the hilt.

As Julian started to thrust in and out Cassie kept exactly the same rhythm with the dildo: it was incredible, as if Julian were fucking me through her. As he built up speed so did she, and after ten minutes of fucking I was on the edge of my climax.

"I'm coming," I yelled.

"Me too," groaned Cassie. "Oh... oh... fuck me, Julian!"

Julian didn't have to say anything; after one last thrust into Cassie's cunt, he pulled out and sprayed his spunk all over her bottom and back. Cassie squealed in orgasm at the same time, and rammed the dildo into me. The sight of my boyfriend's spunk and the force of the dildo did it for me: my pussy went into meltdown, and I screamed with the most intense orgasm I've ever had.

I don't think anyone could ever have a better sex session than that. It was explosive. But if I do ever top that I'll be sure to let you know! — *Dora, Birmingham*

when I set eyes on it I was a little shocked. I wouldn't like to say exactly how many inches of thick, throbbing prick there were, but I know that they don't make them like that every day!

Next to the bed was a large pot of strawberry lubricating jelly that I hadn't noticed before. Richard untwisted the lid, took a large scoop out and began rubbing it over his immense prick. I watched, fascinated as his hand ran over the inches, which glistened with the jelly.

Taking another handful he opened my legs and rubbed the cool jelly around my pussy lips. He massaged it all over my clitoris, and then pushed his jelly-covered fingers deep inside me. It felt incredible, and I wanted him so badly now.

He lay down on the bed next to me and pulled me over so my body was on top of his. We began a searching, probing kiss and I savoured the taste of whipped cream and pussy juice in his mouth. His prick was digging against the fleshy softness of my bum cheek, so I took hold of his cock and guided it towards my cunt.

I slowly lowered myself down, my pussy tight around his pole. I gasped as each inch filled me. This was unbelievable and though there were plenty of inches left I stopped lowering myself when I was filled with a fat six inches. Then, using my leg muscles, I raised my pussy up the pole, then down, then up again repeatedly, managing to push a little more of his prick into me each time. I started it slowly, delighted by the look of sheer pleasure on Richard's face, then faster and faster; ramming him up me until finally I was able to take all his fat cock in my pussy with each stroke and grind my clitoris against his pubic hair.

I was right on the edge before, but now the feeling of my pussy being stretched by Richard's prick and the friction on my clitoris sent me right over the edge. "Ooh, I'm coming!" I moaned, as I pounded up and down on his cock, while Richard grabbed my big bouncing tits and squeezed them hard.

As my orgasm subsided I opened my eyes and saw Richard, his face red and his teeth gritted, obviously on the point of coming. I quickly slid off his prick, and rubbing it with my hand I managed to spray his thick globules of spunk all over my titties and stomach.

We both fell asleep quickly after that, exhaustion having overwhelmed us. I woke the next morning to find Richard rubbing his prick between my titties. Since then he's taught me a lot. We often go to sex shops and buy new products. Richard's also bought me a really large dildo (about the size of his prick). Now whenever he goes on one of his business trips he knows that I'm being kept well and truly happy! — *Emma, London*

Real-life Fantasy

When my boyfriend Julian went away for a week with his mates on holiday I agreed to water his plants and feed his goldfish in his flat for him. The first time I went round it felt really weird to be there without Julian, and I got out of there as quickly as possible. But after three days I kind of got used to it, even enjoyed it really. He had a large collection of books and I began to spend hours looking through them. Then as I pulled one out of the bookshelf one day a diary fell out with it.

Unlike the diary I keep his wasn't locked. It was more like a journal really, and as I opened the first page I felt a pang of guilt. I know I wouldn't have liked Julian reading my diary, but I just couldn't help myself — I had to read it.

I sat down in a comfy chair and quickly scanned my eyes over each page. Most of it was pretty boring stuff, but I quickly became interested when I found the page that was written on the day that Julian and I first went out together.

"Dora's nipples were erect for the whole of the dinner," it read. "My cock couldn't help but be in the same state and I had to excuse myself at one point to go to the toilet to have a wank. I hope she didn't notice."

A smile covered my face — I hadn't noticed. Then I quickly turned to the page where Julian and I shagged for the first time.

WOMEN'S WRITES

Where the girls get down to business

Expert Sexpert

Before meeting the man I'm going to tell you about, my sex-life, though good, was rather dull compared to what I get up to now. I always enjoyed a variety of positions with various lovers but I certainly didn't regard myself as 'kinky' or anything.

I met Richard through a mutual friend. I was instantly attracted to him, so I was flattered but nervous when he asked me out, but after a few glasses of red wine I began to relax and unwind. I was quite surprised when Richard said, "I'd like you to come back to my house as I think you and I would be perfect in bed together." Most of the men I'd dated before always used the "come back to my place for coffee" line, or something equally corny, so I was impressed with his honesty and self-confidence.

Within ten minutes I was in his bedroom. It was just what you'd expect a stud's room to be like, including, and I joke not, a mirrored ceiling! The bed was as wide as it was long and as I lay on it I realised it was a waterbed.

Richard's kisses nibbled down my neck, giving it little sucks and sensual bites. Then slowly, undoing the buttons as he went along, his mouth worked towards my breasts. My lacy bra was almost bursting with my ripe, round breasts, and the pink nipples were standing high and hard.

With a sudden surge of passion Richard began sucking my right breast, not just the nipple but trying to take as much of my creamy boob into his mouth as possible. Then he continued kissing down my body, stopping only briefly to give my belly-button a lick. Expertly, with his teeth, he worked my frilly white panties, wet with sexual excitement, down my legs.

I opened my legs wide and waited impatiently with my eyes closed for his tongue to give me a good licking. "Come on!" I groaned, after waiting for a good few seconds. Suddenly I felt my pussy being tickled by something that definitely wasn't Richard's tongue.

I looked between my legs and saw Richard with a large can of whipped cream, spraying it against my pussy whilst he wore a large grin. "I want your pussy to be the creamiest ever!" he exclaimed before lowering his head and excitedly licking the cream up, lashing his tongue against my clitoris at the same time.

Usually I am cool and calm during sex, but this was driving me wild. I was crying out so loud that I must have sounded near hysterical; my legs were wrapped around his neck and I was grinding my mound hard into his face. His tongue was snaking up far into my tight cunt hole, tongue-fucking me in an unbelievably orgasmic way. I squirmed and groaned, hovering on the edge of an intense orgasm.

My desire for his prick was building now. Richard had totally overcome my inhibitions, and I moaned out loud, "Fuck me properly now, Richard!"

I felt sure that his cock would be large, and I was right. As a matter of fact
